250 West 57th Street  
New York, N. Y. 10019

Dear Mr. Silvers:

With regard to the article on Portugal which you published on May 17, 1975, I did not see a single one of the people Mr. Maxwell alleges I saw while I was in Portugal last August. Perhaps Mr. Maxwell's view of my "blundering machinations" is more fiction of his making than fact of my doing.

Faithfully,

/s/ Vernon A. Walters
